STRONG & DEPENDABLE

The cost-effective and user friendly solution designed for heavy use in commercial applications.

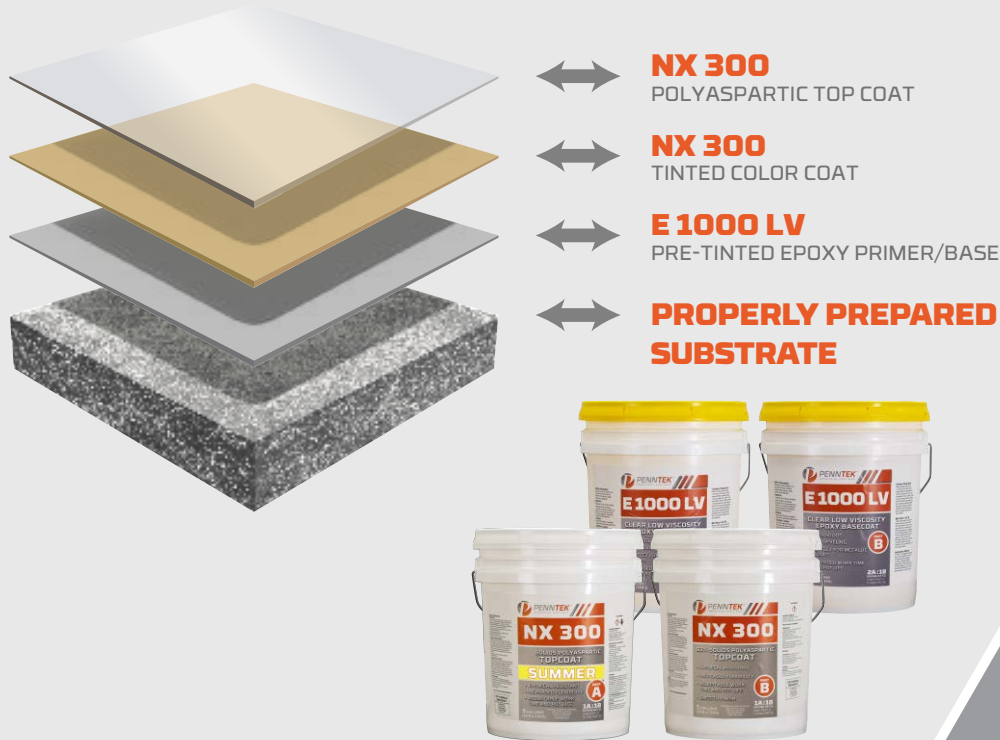

TWO DAY INSTALL

DEVELOPED BY CONTRACTORS, FOR CONTRACTORS

15-YEAR PRODUCT WARRANTY

HOW IT WORKS

Penntek's Solid Color Epoxy System is built for the toughest applications. This system withstands high impact environments, providing chemical and abrasion resistance. It also has the option to be applied as a high build product to cover small imperfections. The product is pretinted to ensure a consistent color match every time. The solid color epoxy system offers a wide spectrum of textures and colors, with full custom color matching available. This system is the perfect choice for large projects, and with long open times you can apply a lot of square footage at once.

Superior Systems and Diverse Solutions

Penntek Industrial Coatings has you covered when it comes to industrial flooring options. Whether it is rapid return to service, custom colors, or added wear resistance, we have the selection of products and systems to meet virtually any need.
